

# Setting up your Optimizer Keyboard

- 1 Plug the Optimizer into a **USB port** on your computer.
- 2 **Windows:** Setup is complete. No drivers are required.

**Mac OS X:** The Optimizer comes pre-programmed for Windows. To re-program it for Mac, please download the quick and easy software from our website: [www.matias.ca/optimizer/mac/](http://www.matias.ca/optimizer/mac/)

## Using the Optimizer functions

- Optimizer commands are printed on the keys in **yellow**.
- The **Optimize key** works just like Shift or Ctrl.
- **Hold down Optimize** and then press the key that has the command you want.

# OPTIMIZER KEYBOARD LIMITED WARRANTY

Matias Corporation (“Matias”) warrants to the original end user (“Customer”) that this product will be free from defects in workmanship and materials, under normal use, for 1 year from the date of original purchase from Matias or its authorized reseller. Matias’ sole obligation under this express warranty shall be (at Matias’ option and expense) to repair or replace the product or part with a comparable product or part. All products or parts that are replaced become the property of Matias.

## LIMITATION OF LIABILITY

To the full extent allowed by law, Matias excludes for itself and its suppliers any liability (whether based in contract or in tort, including negligence) for incidental, consequential, indirect, special or punitive damages of any kind, or for loss of revenue or profits, loss of business, loss of information or data, or other financial loss arising out of or in connection with the sale, installation, maintenance, use, performance, failure, or interruption of this product, even if Matias or its authorized reseller has been advised of the possibility of such damages, and limits its liability to replacement, repair, or refund of the purchase price paid, at Matias’ option. This disclaimer of liability for damages will not be affected if any remedy provided herein shall fail of its essential purpose.
