Funktionsweise der fn Taste auf Mac

Wenn Sie die **F1** Taste und deren Funktion wählen möchten (statt den Bildschirm abzudunkeln mit der Standardfunktion) halten Sie einfach die **fn** Taste gedrückt, während Sie **F1** drücken.

Ist das zu umständlich gehen Sie einfach in...

🍏 Menü > **Systemeinstellungen...** > **Tastatur**

und bestätigen Sie die Checkbox wie unten gezeigt.

- Die Tasten F1, F2 usw. als Standard-Funktionstasten verwenden
Wenn diese Option ausgewählt ist, halten Sie die Taste „Fn“ gedrückt, um die auf den Tasten abgebildeten Sonderfunktionen aufzurufen.

F11	Volume down
F12	Volume up
Backlight key	Eject ▲

How the fn key works on Mac

If you need to type **F1** (rather than darken the screen) simply hold down **fn** and then press **F1**.

If this is not convenient, you can reverse it. Go to...

🍏 menu > **System Preferences...** > **Keyboard**

and check the box, as shown below.

- Use all F1, F2, etc. keys as standard function keys
When this option is selected, press the Fn key to use the special features printed on each key.

Warranty

Matias Corporation ("Matias") warrants to the original end user ("Customer") that this product will be free from defects in workmanship and materials, under normal use, for 1 year from the date of original purchase from Matias or its authorized reseller. Matias' sole obligation under this express warranty shall be (at Matias' option and expense) to repair or replace the product or part with a comparable product or part. All products or parts that are replaced become the property of Matias.

LIMITATION OF LIABILITY

To the full extent allowed by law, Matias excludes for itself and its suppliers any liability (whether based in contract or in tort, including negligence) for incidental, consequential, indirect, special or punitive damages of any kind, or for loss of revenue or profits, loss of business, loss of information or data, or other financial loss arising out of or in connection with the sale, installation, maintenance, use, performance, failure, or interruption of this product, even if Matias or its authorized reseller has been advised of the possibility of such damages, and limits its liability to replacement, repair, or refund of the purchase price paid, at Matias' option. This disclaimer of liability for damages will not be affected if any remedy provided herein shall fail of its essential purpose.

This keyboard contains no user-serviceable parts, and should not be opened or disassembled — risking damage to it and injury to you. Do NOT remove, crush, or puncture the battery inside, or expose it to high temperatures or liquids.

When this product reaches its end of life, please dispose of it according to your local environmental laws and guidelines. The lithium-ion battery in the keyboard should be recycled or disposed of separately from household waste, by a qualified service provider.

Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Complies with the Canadian ICES-003 Class B specifications.

This product complies with the requirements of European Directives 72/23/EEC, 89/336/EEC, and 1999/5/EC.

Warranty Procedure

- 1) Please contact our Help Desk at **help@matias.ca**, **(905) 265-8844** or toll-free **1-888-663-4263**, and give a detailed explanation of the problem.
- 2) We'll first try to solve your problem by e-mail or phone.
- 3) If e-mail / phone support is not successful, or if the item is defective, we'll give you an EMA number (Exchange Merchandise Authorization), and explain how to return the product for a replacement.
- 4) For more information, please visit:
